### M.A.D. Camp Electives

**Musical instruments** are welcome! If you are bringing one (or more), please let us know which instrument(s) you are bringing: \_\_\_\_\_

*Basic guitar lessons will be offered, but other instruments may add things too! If you bring an instrument, please remember, Ewalu is not responsible for lost or broken items. Ewalu will provide an indoor place to store your instruments.*

Other electives will include drama/mime, clay pottery, classic darkroom photography, and more. **Photography** will entail a taste of old-school film developing in the Ewalu darkroom. You are invited to also bring your family's old *35mm camera* if you like, along with film to take home. Bringing your own camera is not required. Ewalu will provide a 35mm camera and film for you to try out as well, an overview of film photography, and any darkroom supplies.

Do you have access to a 35mm Camera you can bring? Yes / No

Note to families: a special "M.A.D. Camp Closing Program" for friends & family will take place at **1:00 p.m. on Friday** before the all-camp closing program at 2:00 p.m. Family and friends are invited to attend. The program will be held outside near the Creation Center (where you will check in on Sunday) or in Cedar Lodge. We look forward to seeing you at Ewalu this summer!

In Christ,

Jesse Klosterboer  
Program Director
