Welcome to Ewalu!

Camp Ewalu has served the people of Iowa as a place to connect the Word of God with the world of God for more than 60 years! Staff, volunteers, pastors, youth ministers, parents, teachers, and children make up the community. Together we have touched the lives of hundreds of thousands of youth and adults with the love of Christ. As a ministry of the Lutheran church, Ewalu inspires and equips people to share God's Word and Jesus' love in their homes, churches, schools, workplaces and communities.

Your prayers, presence, and financial support allow Ewalu to continue this important work in our world. Your gifts today, your support throughout the year, and your designations to Ewalu in your estate plans sustain this vital work into the future. You can help Ewalu continue growing to meet the changing needs of the Church and minister to the youth of Eastern Iowa for years to come!

Donating quilts to LSI this year

The option to donate purchased quilts to Bremwood, a Lutheran Services of Iowa (LSI) youth treatment facility in Waverly, will change a bit this year because the program has closed. However, LSI still uses quilts across Iowa! This year, donated quilts will be taken to the LSI office in Waterloo and distributed as needed to these two programs:

LSI Early Childhood Services: Becoming a new parent can be overwhelming, and this program walks beside Iowa parents of young children every step of the way. Programs include home visits, support groups for expecting parents, and more.

LSI Immigrant and Refugee Community Services: LSI has been welcoming refugees to Iowa since WWII. Programming includes education, family services, and economic development programs to help refugees get started on their path to citizenship and building a new life in Iowa. Quilts are given to each family.

BBQ Pork Lunch

Served just outside Cedar Lodge from noon to 1 p.m. before the auction begins. Freewill offering is welcome.

- BBQ Pork Sandwiches
- Macaroni Salad
- Coleslaw
- Chips
- Cookies
- Coffee, Lemonade, Milk

*Big thanks to **Wally Rowcliffe of Strawberry Point** for supplying and preparing the top-quality pork! And thanks to **Maury Landt** and our kitchen staff for preparing and serving the meal.*

Campership Fund

YOU can make a difference in the life of a child by supporting the Ewalu Campership Fund. It provides financial assistance to help all families afford to send their children to Bible camp. At Ewalu, no camper is turned away due to financial need.

Our summer camp prices reflect the nearly \$300 donation given to help each Ewalu camper. The true cost of providing a child with a life-changing week at camp is greater than the prices we charge. Thanks to donors to the Ewalu Campership Fund, we've been able to keep our prices lower than overnight for-profit camps in the Midwest.

Your gift not only welcomes all children to camp, it helps immerse them into a life-changing Christian community! Donate online at www.Ewalu.org/Make-A-Gift and select "Campership Fund."

Quilters Luncheon spring event

Our first Ewalu **Quilters Luncheon** in 2022 was so fun, we knew we needed to do it again! We had a full house of 82 attendees at our spring 2024 event; it is a fun way that we at Ewalu can thank our quilters, be inspired, and have some fun together.

We were delighted to have Sarah Ottesen of Farmer's Daughters Quilts in Oelwein back again to present on topics of interest to quilters. We gave out door prizes and free quilt kits, too! We also served a special lunch to thank our quilters. We plan to offer this every other year!

Want to know about events happening at camp? Be sure to sign up for The Rhythm e-newsletter! Go to www.ewalu.org/rhythm.

Bring in your bid card for a discount

Special thanks to Sarah Ottesen at Farmer's Daughters Quilts in Oelwein for helping us promote Ewalu's Quilt auction online among

quilters. Anyone attending the Quilt Auction today and has a bidder card, bring it into Farmer's Daughters Quilts in Oelwein before October 15, 2024, and you will receive 10% off a regularly priced item in your order (in-store promotion only).

A few ways to **MAKE A CHARITABLE GIFT**

1. Utilize an **automatic withdrawal** system to give a regular gift, monthly or other, to make giving easier. You can sign up for automatic withdrawals using your credit card or bank account through our website at www.Ewalu.org/Make-A-Gift.
2. Include a **bequest** to Ewalu in your will. The most common way to leave a legacy, a bequest can be a dollar amount or a percentage of your estate.
3. List Ewalu as a beneficiary or contingent beneficiary on **retirement assets**. Often tax benefits are greater if heirs receive life insurance proceeds while retirement funds become charitable contributions.
4. Purchase a **life insurance** policy that names Ewalu as the beneficiary, or list Ewalu as a contingent beneficiary on a policy designed to benefit loved ones. Premiums on the first are tax deductible as a charitable contribution.
5. Establish a **charitable gift annuity**. You receive an income for life, and the remainder strengthens the whole Church through Ewalu's ministry.
6. Establish a **trust** that ensures your needs are met, whether current or deferred income, and provides a gift to Ewalu at present or even in the future.
7. Talk with Ewalu Executive Director Frank Johnson about any of the options above, and about other ways in which you might personally help sustain this ministry.

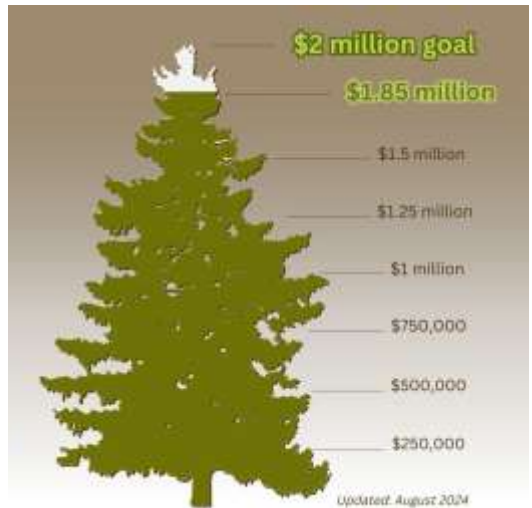

Architect's rendering of renovated Cedar Lodge

Cedar Lodge campaign passes \$1.85M

Thanks to a \$500,000 leadership gift from Candy and Richard Altorfer of Cedar Rapids this spring, **we've passed the \$1.85 million mark** on our way to the \$2 million goal for the "Cedar at 60" campaign to renovate Cedar Lodge and strengthen Ewalu's ministry! Construction is set to begin in 2025. We've already installed the solar array to start saving on our utility bills. Can you help us finish out this campaign? We're so close to the goal!

Renovation and updates are needed on both levels of Cedar Lodge that will improve Ewalu in four key areas:

- Hospitality for our guests
- Food service & dining experience
- Environmental stewardship
- Living conditions for summer staff

Learn more about the project, and see details and plans at ewalu.org/cedar-lodge-project.

To explore giving options, send an email to campaign@ewalu.org or call Executive Director Frank Johnson at 563-933-4700.

Campaign co-chairs are Elle & Harry Blobaum and Mark & Jill Davidson.
