Welcome to Ewalu!

Camp Ewalu has served the people of Iowa as a place to connect the Word of God with the world of God for more than 60 years! Staff, volunteers, pastors, youth ministers, parents, teachers, and children make up the community. Together we have touched the lives of hundreds of thousands of youth and adults with the love of Christ.

As a ministry of the Lutheran church (ELCA), Ewalu inspires and equips people to share God's Word and Jesus' love in their homes, churches, schools, workplaces and communities.

Your prayers, presence, and financial support allow Ewalu to continue this important work in our world.

Your gifts today, your support throughout the year, and your designations to Ewalu in your estate plans sustain this vital work into the future. You can help Ewalu continue growing to meet the changing needs of the Church and minister to the youth of Eastern Iowa for years to come!

Central Standard Time is providing live music today near Cedar Lodge. The acoustic duo is Charlie Rod of Waverly and Matt Hibbard of North Liberty, both alumni of Ewalu's summer staff. Their musical partnership was forged over countless summer campfires and college dorm rooms at Wartburg College in the 1990s. Central Standard Time is included on the Iowa Arts Council's Performing Artists Roster, "a juried resource of experienced performers who are recognized for the quality of their work." Learn more about them online at cstime.net.

Quilt donations this year: Shepherd of the Hills Ministries

A long-standing tradition of Ewalu's Quilt Auction is the opportunity to donate quilts to Lutheran-affiliated ministries that serve others. This year, bidders can purchase a quilt and donate it to **Shepherd of the Hills (SOTH) Ministries**, a non-profit in Saint Olaf, Iowa, that helps those in need in and around Clayton County.

SOTH assists those struggling with housing, domestic situations, fostering, natural disasters, aftermath of a fire, medical challenges and more, and gives assistance for utility bills and rent. The SOTH thrift store at 100 W. Hill St., Saint Olaf, is open to the public M–F, 9 a.m.- noon and 1–4 p.m.

If a crisis family is in need of anything, they get to shop in the store for free and can get 5 items per person in the family each month. Helping children is a huge focus for SOTH, serving hundreds of kids with Back to School backpacks full of supplies, Coats for Kids and Christmas for Kids. SOTH runs on donations only. Their annual **Hog Roast** is coming up October 5, which supports their Crisis Fund. Contact Heather Hageman at 563-783-2409 or shephill@neitel.net for more information.

There are many twin-sized quilts in this year's quilt auction that would be great donations to Shepherd of the Hills Ministries. **To donate a quilt to SOTH, simply say, "Donate to Shepherd of the Hills!" immediately after winning the bid.** We will make sure it gets to the ministry in St. Olaf, where they will distribute quilts to folks in need!

Thank you for giving twice — first by bidding to support Ewalu, and second by giving away the quilt you purchased.

AUCTION NOTES

- If the weather turns seriously stormy, the Live Auction may be moved inside Cedar Lodge. But we're hoping to stay under the tent!
- During the auction, if you wish to **donate a quilt to Shepherd of the Hills Ministries**, let the auctioneers know immediately following the sale of the item. Just say, "Send it to Shepherd of the Hills!" (Details on page 7.) We'll take care of getting it there!
- The **Auction Checkout** will be located by the Canteen; your totals will be recorded throughout the auction and can be settled there immediately after the auction ends. If you are departing early, clerks and recorders may need additional time to process auction sales.
- **"Buyer's Choice" items** have been added throughout the auction this year and will be brought up together for bids. The winning bidder gets to pick which item they want. We're trying this with more items this year to have some fun and make the auction move faster.
- Vote for the Live Auction **People's Choice Award** using the green ballot. Votes must be turned in at the registration table box by 12:30 p.m. The Top 3 items will be brought up for bids together as "Buyer's Choice" during the Live Auction.
- Over 120 quilts and items will be auctioned off today. An additional 120+ quilts and items are on the **Online Auction website at <https://Auctria.Events/EwaluQuiltAuction>**. Online bidding is now open and will close at 7 p.m. Sunday, Sept. 21. **You can view the Online Auction items today in the Creation Center Chapel**, and still have time to place bids when you get home!
- **Need help making an online bid?** Head to the Camp Store inside the Creation Center today, and the store clerk can help you use your phone or our store laptop to get on the website and make a bid.
- The **Quilt Auction Summary Report** will be published a few weeks after the Quilt Auction. This report will be available online at www.Ewalu.org/Quilt-Auction.
- This year's **evaluation form** will be sent as an online survey via email after the event. You can also write your comments on the back of your People's Choice Ballot slip or send your comments via email to marketing@ewalu.org.

Plant the seeds of a

LASTING LEGACY

at Camp Ewalu!

There are many ways to give to Ewalu. Making an outright gift is most common, but here are a few more ways to think about how you can support Ewalu's mission and ministry with a transformative gift:

1. Utilize an **automatic withdrawal** system to give a regular gift, monthly or other, to make giving easier. You can sign up for automatic withdrawals using your credit card or bank account through our website at www.Ewalu.org/Make-A-Gift.
2. **Include a bequest to Ewalu in your will.** This is the most common way to leave a legacy, as a dollar amount or a percentage of your estate.
3. **List Ewalu as a beneficiary or contingent beneficiary** on retirement assets. Often tax benefits are greater if heirs receive life insurance proceeds while retirement funds become charitable contributions.
4. **Purchase a life insurance policy that names Ewalu as the beneficiary,** or list Ewalu as a contingent beneficiary on a policy designed to benefit loved ones. Premiums on the first are tax deductible as a charitable contribution.
5. **Establish a charitable gift annuity.** You receive an income for life, and the remainder strengthens the whole Church through Ewalu's ministry.
6. **Establish a trust** that ensures your needs are met, whether current or deferred income, and provides a gift to Ewalu at present or even in the future.
7. **Talk with Ewalu Executive Director Frank Johnson** about any of the options above, and about other ways in which you might personally help sustain this ministry.
