

A GREAT OPTION FOR YOUTH GROUP SERVICE TRIPS

From rappelling and exploring underground caves at Backbone State Park, to **making a real impact through community service projects**, campers will be challenged and will **grow in their faith AND their sense of belonging**.

Rooted in the **fruits of the Spirit** in the book of Galatians, True North will help high school students **develop character** and **build inner strength** through every challenge and adventure. Whether campers join us for a week of adventure at Camp Ewalu or a dynamic spring day at Wartburg College, **True North is where adventure builds resilience.**

Find Your Adventure, Find Your True North!

Rock climbing at Backbone State Park

ABOUT TRUE NORTH

True North is part service camp and part adventure camp with a reality game show-inspired format. It is a unique, immersive experience for **youth in grades 9-12** to come together and **build resilience in a faith-centered camp environment** while serving and playing in the driftless region of Northeast Iowa.

IMPORTANT DATES

SPRING EVENT
@
WARTBURG
COLLEGE

Can't commit to the full week in summer? Come to the one-day True North spring event on **Saturday, March 14, 2026, at Wartburg College** in Waverly, Iowa, for a high-energy "Amazing Race"-type event for youth groups! \$40 per person, includes 2 meals.

SUMMER PROGRAM

Modeled after a reality game show, high school-age participants work collaboratively—rather than competitively—to complete challenges. The camp is designed to **build resiliency and grow faith** in high school youth through **service, team-building, and high-adventure activities**.

Participants will attend Sunday through Friday, July 26-31, 2026, staying in cabins at Camp Ewalu (just west of Strawberry Point, Iowa) and working in teams to complete service and adventure challenges. Teams will be guided by trained Ewalu counselors, receiving daily "bearings" for the day that include guiding questions that are designed to **dive deeper into faith** and fun challenges that are meaningful and oriented toward **building character and developing resiliency**.

PRICING: \$360 per person if registering as a group; \$380 for youth registering as individuals. \$240 is our "Campership" rate, for those who need financial assistance to afford camp.

All lodging, meals and activities covered for 6 days/5 nights!

Early Discount: Take **\$40 off** per person if you register by February 28; \$20 off if you register March 1 to April 15. No code needed!

THEMES OF THE DAY

Each day of the summer program will have a unique focus:

Monday: Exploration –

Teams will evaluate their resources and learn about themselves.

Tuesday: Service – Teams will grow in love and empathy as they complete service projects locally.

Wednesday: Connection –

Teams will grow together through fun activities centered around water—including a pool party—with connections to baptism and unity in the body of Christ.

Thursday: Adventure –

Teams will face their capstone event for the week. A series of challenges set in a beautiful wild space will help teams build resiliency through cooperation by participating in a scavenger hunt/adventure event unlike anything they've experienced before!

Friday: Reflection –

Teams will bring it all together, debriefing their week and asking, "Where do we go from here?"
